Article 1

Definition

This regulation establishes the rules for “Doctor, Crack My Case!”, taking place during the XI In4Med, from the 24th to the 27th February 2022, at the Congress Centre of the Convento de São Francisco, Coimbra. This competition is an interactive and dynamic game of medical culture, through multiple choice questions based on clinical cases from various specialties.

Article 2

Goals

The objective of this competition is to motivate medical students to develop a clinical reasoning and the ability of teamwork as well as to practice theoretical knowledge.

Article 3

Participation Terms

1. Participants will compete in teams of three.
2. It is mandatory to be enrolled in the XI In4Med Congress in order to participate in the competition.
3. It is mandatory to be a medical student between 1st and 6th years, inclusive.
4. It is mandatory to have a mobile phone that allows access to the Convento de São Francisco's internet.

Article 4

Competition Conditions

1. The competition will take place on the 26th of February 2022 in the main auditorium of the XI In4Med.
2. The competition will last approximately 1 hour and 30 minutes.
3. The competition will be in English.
4. The competition will have a host that will lead the competition by reading the questions, possible choices and correct answers of each case.
5. Answers must be given by each team through a mobile phone capable of accessing the Internet (which will be available on the place of the competition) and which supports the application that will be used in the competition.
6. There will be 10 clinical cases, each one with a brief summary and 3 multiple choice questions, each one with 5 options, where only 1 is the correct answer.
7. Questions will focus on the following 10 specialties: General Surgery, Otorhinolaryngology, Psychiatry, Endocrinology, Internal Medicine, Gynecology, Cardiology, Urology, Rheumatology and Paediatrics, even

though they might require knowledge from other fields of Medicine as well as non-medical skills to be solved.

8. Every question is revised from a scientific point of view and corrected by the responsible specialized professional in each area.
 - a) Their correction cannot be contested during the competition.
9. Teams caught using books, tablets or other electronic devices (except the mobile phone used to answer the questions of the competition), or receiving help from any other individual that does not belong to their team may be disqualified.
10. Teams that do not present all their members at the location of the competition, at the announced time of this activity may be disqualified.
11. The decisions will be made upon the verdict of the core management group and announced by the General Manager, the Internal Coordinator or the Scientific Coordinators of the XI In4Med if the previous is not available.

Article 5

Registration

1. It is mandatory to be enrolled on the XI In4Med Congress in order to participate in the competition;
2. Each team will have three members.
3. Each team must have a name in order to perform the registration.
4. Signing up is done entirely online. The team must register in the contest, which can be achieved by the following:
 - a) Filling in the corresponding form, available at www.in4med.org.
5. The period of registration will begin February 14th until the morning of February 25th, the last possible day.
6. The registered teams automatically recognize the validity of this regulation upon the act of registration.

Article 6

Classification

1. The point system is the official algorithm, registered and provided by AhaSlides®.
2. The correct answers are rewarded with positive points and the incorrect answers with zero points.
3. The amount of points that you can receive for a correct answer will start to decrease since the beginning of each question.

Article 7

Awards and Winners

1. Teams ranked in 1st, 2nd and 3rd places will be awarded.

- a) In case the winning team is unwilling or unable to accept the prize, it will be awarded to the following classified team.
2. The award will be delivered during the Closing Session.
3. The method for the tiebreak will be announced by the Organisation Committee of the XI In4Med if such is needed.

Article 8

Omitted Points

The Organising Committee of the XI In4Med reserves the right to decide on all missing situations in this Regulation.

Article 9

Final Remarks

Participation in Doctor Crack My Case! implies the full acceptance of the present Regulation.
